professional summary

I am a full-stack software developer currently located in Atlanta, GA. I have 10+ years experience working with teams and individuals in the social work field and have held multiple supervisory and leadership roles since 2011. My goal after graduating from DigitalCrafts' Immersive Bootcamp is to combine the skills I gained as a social worker with the abilities acquired during the bootcamp to continue partnering with clients to meet their goals.

skills

Leadership
JavaScript
HTML / CSS
